4. The Single Central Register (SCR)

The school will keep an SCR which records all staff working at the school, as set out below:

- All staff, including teacher trainees on salaried routes
- Agency and third-party supply staff, even if they work for only one day
- All members and trustees
- Any other individual likely to work in close proximity to the school's students (Volunteers)

The bullet points below set out the minimum information that must be recorded on the SCR.

The record will indicate whether the following checks have been carried out or certificates obtained, and the date on which each check was completed or certificate obtained:

- An identity check
- A standalone children's barred list check
- An enhanced DBS check
- A prohibition from teaching check
- A check of professional qualifications, where required
- A check to determine the individual's right to work in the UK
- Additional checks for those who have lived or worked outside of the UK
- A section 128 check for those in management positions

For agency and third-party supply staff, the school will also record whether written confirmation from the employment business supplying the member of staff has been

received which indicates that all the necessary checks have been conducted (i.e. all the same checks the school would perform on any individual working in the school or who will be providing education on the school's behalf, including through online delivery) and the date that confirmation was received.

If any checks have been conducted for governors or volunteers, this will also be recorded on the SCR. If risk assessments are conducted to assess whether a volunteer should be subject to an enhanced DBS check, the risk assessment will be recorded.

Where appropriate, the school will record any other information it deems relevant. This may include:

- Whether relevant staff have been informed of their duty to disclose relevant information under the childcare disqualification arrangements.
- Checks made on volunteers.
- Any risk assessments that have been conducted to assess whether a volunteer should be subject to an enhanced DBS check.
- Checks made on governors.
- Dates on which safeguarding and safer recruitment training was undertaken.
- The name of the person who carried out each check.

The details of an individual will be removed from the SCR once they no longer work at the school or college.

The school will maintain a SCR detailing the checks carried out within the school.

The SCR will contain information on all staff, including agency and third-party supply staff, and teacher trainees on salaried routes, who work at the trust, as well as members of the proprietor body.

The information contained within the SCR will be recorded in such a way that allows for details to be provided separately, and without delay, to all who need to see it, including Ofsted.

5. Storage

There will only be **one** copy of the SCR created on an **online spreadsheet, which is password protected**.

Copies of documents used to verify the successful candidate's identity, right to work in the UK and required qualifications will be safely stored on their personnel file.

The school will act in accordance with the UK GDPR and DPA 2018 and ensure that copies of DBS certificates and records of criminal information disclosed by candidates are only retained where there is a valid reason for doing so and will not be kept for longer than six months; however, staff must always be prepared to present them upon request.

When information is destroyed relating to checks, the school may keep a record of the fact that vetting was carried out, the result and the recruitment decision.

All certificates will be stored in accordance with the school's Data Protection Policy.

6. Monitoring and review

The SCR will be updated after each instance of an individual attending school in an employment or voluntary capacity, or when any variation to the fields on the SCR is required.

The SCR is a live document and will be updated as and when required, e.g. following each safeguarding check.

The SCR will also be reviewed **termly** by the Business Manager, ensuring all safeguarding checks are present and up-to-date.

The responsible officer will review a sample of the SCR within their quarterly reviews and report to the Governing Body.

The governing board will review this policy annually. The scheduled review date for this policy is March 24th. Any changes to the policy will be communicated to all relevant stakeholders.
