Open Evening - early school closure on TUESDAY 18th October

Just a reminder about the school closing at 2.15pm on Tuesday in anticipation of Open Evening. Any parent/carer who wants their child to stay in school from 2.15pm to 3.15pm needs to return the slip from the early closure letter to school reception. Many thanks.

A plea from the Maths department!

We are still short of some homework books for KS3. Please do check in your child's room to see if you can see any of these homework textbooks. They should only have one for the current year. If you find any older books, please send them to school so we can issue them to our younger students. It costs us a lot of money to replace books every year that are probably lurking underneath beds and desks in houses across Thanet.

Thank you

French Film Club

Wednesday 12th October saw the first gathering of "Le Francofil", our KS4/5 French Film Club.

Pupils from Y10 to Y13 met up after school to watch "Le Havre". The film tells the story of a shoe shiner who tries to save an immigrant child in the French port city of Le Havre. Although already more than 10 years old, its themes are very much current and sadly echo the stories we can read about daily in the local and national news. I chose this film primarily as the Y13 curriculum looks at the impact of immigration on French society and the challenges of integration in a multicultural society. The cinematography of the Finnish director Aki Kaurismäki is definitely not one that the pupils who attended were familiar with, but they engaged with the picture and started to reflect on the issues raised by it. The simplicity of the dialogs made it easy for most to understand the language, but the subtitles definitely helped too!

"Le Francofil" will have a showing each term this year and I look forward to many more KS4/5 pupils joining us next time. Popcorn and other snacks will be provided of course.

Please could we remind you that the final payment for the trip is due on **25th October**. We have tried to spread the costs as much as we can this year, resulting in final instalments being very close to departure. We very much appreciate your support in ensuring any outstanding payments are made in a timely fashion. The final itinerary will be forwarded in due course.
