

## **CCGS Round-Up**

### **Year 7 Opal Coast Trip**

The next payment of £55 is due by February 1st. This should take the total paid to £245 following a £80 deposit in October, a £55 payment on November 1<sup>st</sup> and a £55 payment on December 1st. Please ensure all payments are kept up to date so we are able to meet our payment deadlines.

### **6th Form French Trip**

We are looking forward to take 15 6<sup>th</sup> form students to Northern France on 25<sup>th</sup> and 26<sup>th</sup> January for an educational opportunity to apply and experience first hand the content of the A Level course. Follow us on Instagram @ccgs-mfl to see what they get up to!

### **Mann-Somerville Charity Week**

Next week (wc 22/ 01) is the Mann Somerville Charity Week, in aid of MacMillan Cancer Support. There are planned events running across all sites all week, which pupils can get involved in for a small donation, as well as tasty treats on sale most days and collections happening on a daily basis. So any loose change would be hugely appreciated to support this very good cause.

On the Tuesday, the Lower School (years 7-9) have a Wear Your Own Shoes Day - for the donation of £1 students can wear non uniform footwear (please still keep sensible). On the Thursday, the Upper School (years 10 and 11) have a Hoodie Day, where for the donation of £1 students can wear a Hoodie (own jumper) - please ensure the item is appropriate for school. On both of these days, the normal school rules regarding uniform apply, so if non uniform items are worn and no donation is made, then pupils will incur Uniform Warnings, which potentially could lead to a Period 6.

Lastly a plea, at the end of the week a raffle will be drawn and a tombola is planned, if anyone, student or parent, would be so kind to donate any prizes, they would be hugely appreciated. Please feel free to contact me ataylor@ccgrammarschool.co.uk if required, alternatively donations can be handed to Heads of House.

### **Student Support**

As a school we constantly review our monitoring procedures to ensure we are recording the support our students receive in school. As a result, if your child is receiving any additional interventions or support in school they will be added to the Support Register using the code K. Once the support or intervention is complete your child will be removed from the Support Register. Please note that this does not apply to the support/revision workshops being provided by the school for year 11.
