'A Christmas Carol' Theatre Trip Year 11

Just a reminder to hand in consent forms if you have not done so. If you cannot make the date your child has been allocated, please let us know as we have a reserve list of other students wanting to attend the trip. KH and MS are going on 24th November and RP and TS on the 5th January.

Year 11 Mock Preparation

Year 11 have mock exams in the last week of November and the first week of December. Please encourage your child to start putting some of the study revision skills in place so that they can boost their confidence by gaining successful outcomes.

English Revision Materials for Yr 11 Mocks

All year 11 have now been sent materials to revise from for each of their set texts for the English mocks. They will be using these materials to make revision flashcards so it would be very valuable if you could quiz your child regularly to see what knowledge has been remembered and what needs further work.

Interleaving for revision

Interleaving is when you switch between different topics in your revision sessions. Switching between topics helps your brain to see the similarities and differences between them. It helps to avoid confusion and also allows you to make links between different areas of study, which aids retention. Finally, it's much harder than studying just one topic for a long time, and this difficulty means your brain has to work harder, which means it remembers more.
