Year 7 Introduction to our CCGS Learning Ethos

This week year 7 were introduced to our CCGS Learning Ethos. We showed them 'how we work' at CCGS to achieve our best. They focused on things like developing perseverance and not being afraid of failure and mistakes and how the brain and memory work so they know the best ways to learn and revise.

From Monday 3rd October, year 7 also have access to the systems we have in place to support them when they find things difficult or fall behind - our 'same day' after school 20 min 'P6' which allows everyone to have a 'fresh start' each day. If your child receives a P6, please encourage them not to see it as a 'disaster' or the 'end of the world'. It is perfectly normal and inevitable that they will make mistakes - our same day system is a chance to get quickly back on track ready for a fresh start the next day.

Chaplaincy Trip

On Tuesday this week, Dr Sutton-Jones and Mr Liddicoat took the chaplaincy group to visit Margate Mosque where they met the imam, Dr Salah. They had a fascinating time listening to Dr Salah talk about Islam, take questions and give them

a tour of the mosque. Certainly, the chaplaincy's aim of forging ever-closer ties with our local communities and places of worship was served well by the visit.

Globe Trip to see 'The Tempest'

Yr11 students braved the colder weather to go and see an outdoor performance of Shakespeare's 'The Tempest' at 'The Globe' this week. True commitment of students and staff to exam revision!
