

CCGS Round-Up

Year 11 Maths

From next Tuesday (7/11/23) Mrs Jeffrey will be running Past Paper Club in B7 for an hour after school. The club will be on every Tuesday until the mock exams.

You can bring your own paper to work through but we also have plenty there available. Please encourage your child to attend if they need support and help with Maths.

Maths revision flashcards

We still have some Corbett maths flash cards for sale for £7. Students need to see their maths teacher if they want this brilliant revision resource.

Year 11 English

From next Wednesday (8/11/23) and Thursday (9/11/23) English teachers are offering support for Creative Writing in preparation for their upcoming exams. This will run every Wednesday and Thursday until the mocks. Students need to go to the lower 'B' side rooms after school and bring their story with them to be worked on.

Geography Students Work Hard to Keep the School Clean

During the last week of Term 1, a number of Geography classes took part in a big push towards keeping our environment clean. In one afternoon, two classes were able to clear 15 large black bin bags of rubbish from across the Chatham House school site. In total, more than 25 large black bin bags of rubbish were cleared over the course of the week, with thanks going to 7BY, 9KHG and 8TSB. It is important that we all play our part in keeping our environment tidy, and there is never a bad time to borrow a litter picker from Mrs Stoner or the site team to do your bit. A big thank you from the Geography Department to all involved.
