### **CCGS Weekly Round-Up**

#### **'Six'**

Don't forget that tickets are on sale for 'SIX' the musical from Chatham House reception or online via the following link

<https://www.ticketsource.co.uk/whats-on/ramsgate/chatham-and-clarendon-grammar-school-theatre/six-teen-edition/e-gepydq>

If you would like to advertise in the programme then please contact [schoolproduction@ccgrammarschool.co.uk](mailto:schoolproduction@ccgrammarschool.co.uk)  
£50 for a full page, £25 for half a page.

#### **History Revision**

A reminder to all Year 11 Historians in DJP's classes to access the Germany and Cold War revision booklets from the class 'Teams' area

#### **Yr8 Science Trip**

Please return your form and complete payment via the gateway if you want your child to go on the Science Herstmonceux Observatory trip in Activities week as places are limited. If you didn't get a letter, ask your child to pick one up from their tutor.  
Thanks to all those who have done so.  
Michelle Cullen, Head of Science

#### **Maths calculators**

As we are coming to the end-of-year exams for year 7 to 11, students will need to have a functioning scientific calculator. We recommend any of the Casio fx-83 series and we still have some in stock for £11. Students can speak to their maths teachers at the end of the lesson or come to M04 or B8 during lunchtime to buy one. It is essential that students have time to familiarise themselves with the calculator during their revision time so they should get a new one in plenty of time before their calculator exam.  
Maths department

#### **Maths Olympiad**

Congratulations to Mac Yang in year 11 who made it to the second round of the intermediate UKMT challenge, the Maths Olympiad. He achieved a distinction in this two-hour intense, problem-solving challenge, placing himself in the top 200 students nationwide. What an amazing achievement.
