## YEAR 9 OPTIONS FORM 2023

**NAME:**

**FORM:**

From the list of subjects below select 3 choices and 1 reserve. Indicate your first choice subject with a 1, your second with a 2 and your third with a 3. Please make sure you provide this ordering and **in addition** indicate a reserve choice with a 4 in case you cannot be offered one of your first choices.

**You must choose 3 subjects of which one must be a 'Humanity' i.e. Geography, History or RS.**

**You cannot choose both Business Studies and Health & Social Care.**

Also, in one of the two spaces for Core Language below, **you must put a tick** next to the language that you wish to study.

Every effort will be made to ensure that as many students as possible are successful in getting their first choices. However, if too few students opt for a subject or if a subject is oversubscribed, it may be necessary for a student to study a reserve choice. In this case the student will sit down with a senior member of staff to discuss the matter.
