

Unifrog – The Complete Destinations Platform

In keeping with our commitment to provide students with outstanding careers guidance and tailored support when choosing their next step after School/College, we are partnered with Unifrog; an award-winning, online careers platform. All students at CCGS now have access to this excellent website.

Unifrog brings into one place every undergraduate university course, apprenticeship, and college course in the UK, as well as other opportunities, such as Virtual work experience, School Leaver Programmes, MOOCs and every college at Oxford and Cambridge. This makes it easy for students to compare and choose the best university courses, apprenticeships or further education courses for them. They can also explore exciting opportunities further afield by looking at English-taught undergraduate programmes available in Europe and the USA.

Additionally, the platform helps students successfully apply for these opportunities by using Unifrog to write their personal statement, applications and CVs and guiding them through the process, allowing teachers to give live feedback.

For more information, go to www.unifrog.org or contact Mrs Lisa Clements
